We need a full-time State Representative who responds to constituents.

“I want a representative who is thoughtful about issues that matter and communicates well with constituents. **As our Ward 5 Newton City Councilor, Bill Humphrey has always been very responsive, answering inquiries from residents quickly, helpfully, and with clear explanations of a situation and possible next steps.** He is also known for his regular, thorough newsletter updates by email and mail to keep us informed. Residents will benefit from his commitment to public service when he serves as our new State Representative.”
— Mary Beth Keiller, Ward 5 resident
