

We need a full-time State Representative working for us.

BILL HUMPHREY BELIEVES MASSACHUSETTS SHOULD LEAD:

- **Climate change:** Promote flood control, clean tech innovation, & a Green New Deal
- **Housing crisis:** Enact, fund, & bolster Gov. Healey's plans to build more homes for young adults, seniors, & families; improve long-term emergency shelter support
- **Infrastructure:** Restore a public transit system & road network we can be proud of
- **Public education:** Create universal pre-K, grow base funding for K-12 academics & facilities, expand state higher ed & vocational system/access (including free options)
- **Universal healthcare, daycare, & eldercare** programs that save us all money
- **Mental health & substance use:** Grow health services capacity; end criminalization
- **Reproductive care:** Pass bills to expand abortion access & improve maternal health
- **An inclusive society** for every age, race, nationality, orientation, identity, disability

A Commonwealth for Everyone • A Beacon for the Nation

The Massachusetts House of Representatives has been stalling on Governor Healey's ambitious proposals on our housing and climate crises. It's time to get moving again.
