

*Bill Humphrey is the only candidate endorsed by a major women's rights organization.
He's running to be our full-time State Representative.*

MASSACHUSETTS SHOULD LEAD ON AN EMPOWERMENT AGENDA:

- Expand **reproductive rights & access** for MA residents (repeal archaic abortion restrictions & secure funds); **protect privacy** of out-of-state visitors
- **Universal daycare & pre-K** for all districts
- End **gendered insurance discrimination**, pass the **maternal health** bills, guarantee real access to care
- Expand **family caregiving** compensation programs
- Bolster unions on **pay parity & workplace safety**
- Ensure **mental health/addiction** treatment capacity
- Replace the family shelter system with meaningful **transitional housing** & pass **housing stability** laws
- Strengthen **intimate partner violence prevention**
- Enact **criminal justice reforms** for diversion, not mass incarceration; no new women's prison

Bill is proud to have the support of his closest City Council colleagues: Brenda Noel, Holly Ryan, & Alicia Bowman.

REPRODUCTIVE EQUITY NOW

“We cannot stand idly by as attacks on our bodily autonomy mount. Reproductive freedom is on the ballot in every race across New England this election. That is why it is so important that we elect reproductive equity champions up and down the ballot this year, and why we’re proud to support Bill Humphrey, who is committed to leading on a bold reproductive equity agenda for Massachusetts.” – **Rebecca Hart Holder**, President of Reproductive Equity Now
