We need a full-time State Representative working for us.

“Bill Humphrey has been an elected official who stays connected to us and shows up for community events, even when it’s not campaign season. No neighborhood in his district gets left behind. Bill has always proven to be the person he promised to be as an elected official. He’s always happy to explain what’s happening in government.”

– **Jo-Louise Allen, former Newton Upper Falls Area Councilor**
